MOOVLY MEDIA LISTS ON THE OTCQB AS MVVYF

VANCOUVER, CANADA -- (December 4th, 2017) Moovly Media Inc. (TSX.V: MVY) (OTCQB: MVVYF) (FRANKFURT: 0PV2) ("Moovly" or the "Company") is pleased to announce its shares are now trading on the OTCQB under the symbol MVVYF. This listing will enable individuals and institutional investors in the United States to more easily invest in Moovly. The OTCQB is a venture market for early-stage and developing U.S. and international companies that are current in their reporting on a qualified international stock exchange.

In additional news, Moovly is proud to announce an official partnership with the World Communications Forum as official video partner for WCF Global 2018 (formerly Forum Davos), which takes place on March 21st and 22nd in Geneva, Switzerland. As a partner, Moovly will have an active presence at the event including a speaking spot at a gathering with top executive representation from around the globe. This event is a highlight on the calendar for communications professionals and influencers throughout a variety of fields, including business, politics and media.

About Moovly:

Moovly is the leading provider of Cloud based tools to tell Marketing Communications and Training stories using videos and presentations.

Moovly's advanced Studio editor with over 150M digital assets seamlessly integrated (via our partnerships with Shutterstock & Videoblocks), is all you need to make engaging videos to promote or explain your product and service.

Moovly's API and BOTs technology allow ourselves and 3rd parties to automate some or all of the content-making process, whether that be mass customization / personalization (Video version of MailMerge), automatic content creation or updating by connecting data sources.

With clients including users from >300 of the Fortune 500, Small Businesses, Freelancers and Ivy league universities, Moovly is an intuitive, cost effective choice in creating engaging video content.

"Your Story begins with Moovly"
