Moovly Announces Integration with Getty Images and iStock

VANCOUVER, CANADA -- (February 28, 2019) Moovly Media Inc. (TSX.V: MVY) (OTC: MVVYF) (FRA: OPV2) ("Moovly" or the "Company") is pleased to announce that it has signed a partner agreement with World leader in visual communications, Getty Images, opening up access to tens of millions of digital assets from within the Moovly platform.

The Getty Images integration allows Moovly users to access the impressive digital asset stock libraries (sounds, images, videos) from Getty Images and iStock seamlessly inside the Moovly Studio Editor.

Brendon Grunewald, Co-Founder and CEO of Moovly, stated: *“Moovly is excited to be working with Getty Images, as it will provide millions of world-class stock media to customers of Moovly. This is an important step in our partner integration strategy, which has started to show results. We look forward to increasing cooperation with Getty Images and its partners to offer our users the best video creation platform available.”*

Lee Martin, Senior Vice President, Global Strategic Development Getty Images added: “Our partnership with Moovly further drives our goal of enabling customers of Getty Images and iStock to seamlessly access the depth, breadth and quality of our imagery right from within the tools and platforms they use to create and deliver compelling content to their audience.”

About Moovly:

Moovly is the leading provider of creative cloud-based tools to tell marketing, communications and training stories using videos and video presentations.

Moovly’s advanced Studio Editor, with millions of assets seamlessly integrated, is all you need to make engaging video content to promote, communicate or explain your product, service or message.

Moovly’s API and Automator technologies allow third parties to automate parts or all of the content creation process, including mass video customization, personalized videos (video version of mail merge), automatic content creation or updating by connecting data sources.

With clients including users from over 300 of the Fortune 500, small businesses, freelancers and Ivy league universities, Moovly is an intuitive, cost effective choice for DIY creation of engaging video-based content.

“Your story begins with Moovly”

Reader Advisory

This press release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this news release contains forward looking statements and information with respect to Moovly's future business plans and the expected benefits of its products. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company. Although the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward looking statements and information because the Company can give no assurance that they will prove to be correct.

By its nature, such forward-looking information is subject to various risks and uncertainties, which could cause the actual results and expectations to differ materially from the anticipated results or expectations expressed. These risks and uncertainties, include, but are not limited to, Moovly's inability to continue to commercialize its products or demand for its products decreases or disappears. Other risk factors are set forth in detail in the Company's Management Information Circular dated June 30, 2017 which is available for review under the Company's corporate profile at www.sedar.com. Some other risks and factors that could cause the results to differ materially from those expressed in the forward-looking information also include, but are not limited to: general economic conditions in Canada, the United States and globally; industry conditions, unanticipated operating events; failure to obtain any necessary third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, capital and skilled personnel; changes in tax laws; and the other factors. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-looking

information for anything other than its intended purpose. The Company undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
